He's for me,  
And not for you.

And if by chance,  
You take my place,  
I'll take my fist,  
And smash your face.

Chapter 7 by Cordon5

Roses are red  
Violets are blue  
You like 70s muscle cars  
I like Doctor Who  
You like beetroot  
I would feed it to horses  
You like plain steamed things  
And I like cheese courses  
You run in races,  
Love hunts, tents and hooks  
I like indoor places  
With fires, and books  
No-one can say  
Why we work as we do  
We are just so different  
Thing One and Thing Two.

But when all is gone and we are both long dead,  
Rose red  
We'll still know the core and soul of us was true.  
Boy Blue.

### Chapter 8 by PierceTheKenleigh

Roses are blue  
Bacon is red  
I wish I knew you  
That's what I just said

I love cheesecake  
And lobster too
